

OUR GENERATION / 1969
THE ANGLE / ANGLETON HIGH SCHOOL
ANGLETON, TEXAS / VOLUME XXXIII

Picking up new ideas—
new goals. Searching,
learning, and even more
than learning—
understanding.

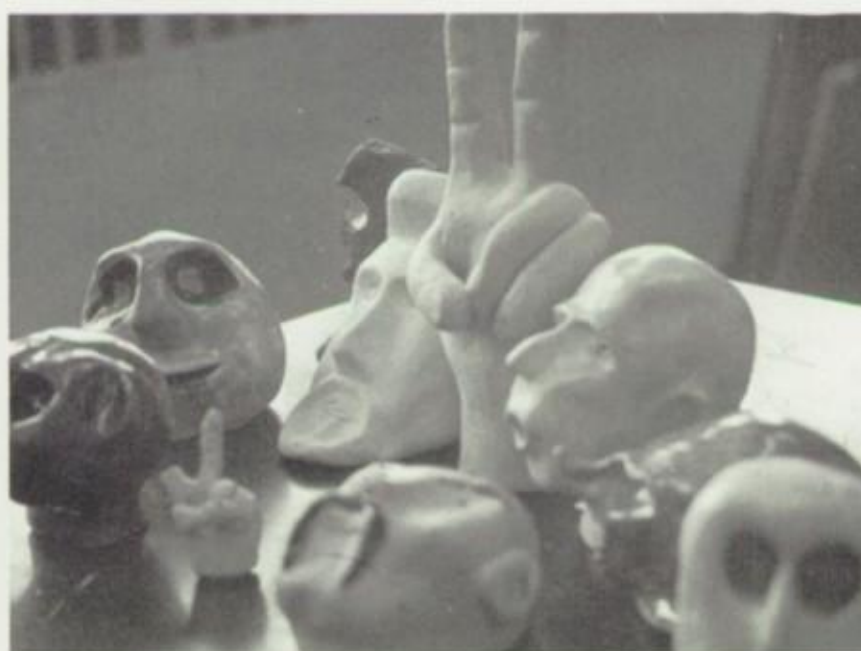

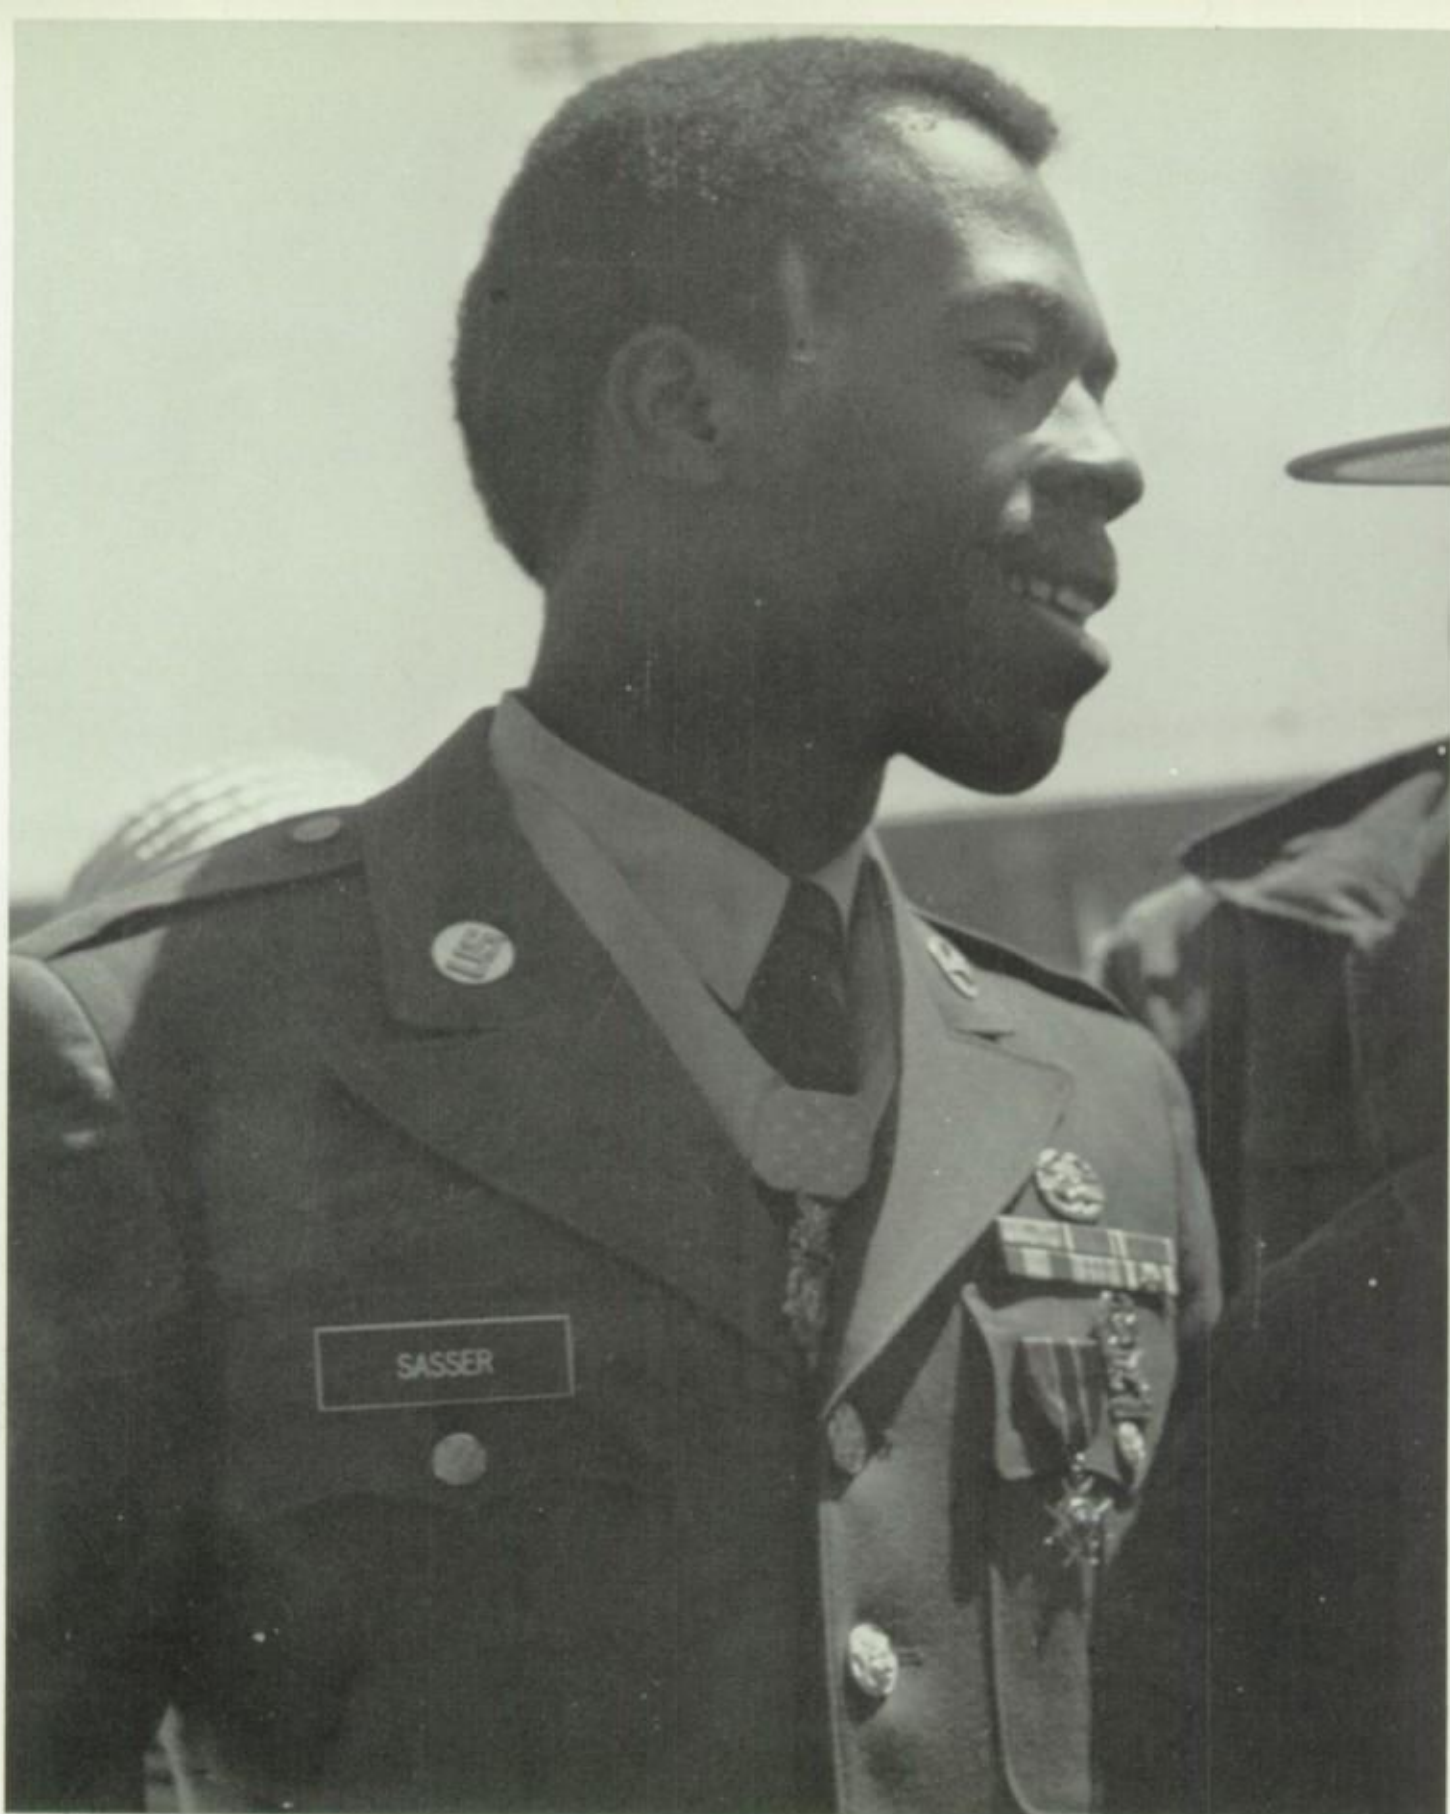

Our generation—our—we're possessive,
yet we let people reach us. Sometime
during the most important four years of
our lives there is someone—a teacher
maybe—maybe a friend—maybe someone
who is more than a friend—who not
only reaches the person that we present
to the world, but comes to know the
inside person, the one who keeps us
awake at night.

We enjoy life. We
reach out and grab
every moment and cram
it so full of living
that it's overflowing.

We excel. We'll take challenges.
Top grades, championship teams,
sweepstakes, ribbons at the fair—
they all mean the same thing.
The competitor is in each of us—
it may show up in P.E. class or
on report cards—but it's there.

“Let the world go forth from this time and place, to friend and foe alike, that the torch has been passed to a new generation of Americans . . .”

— J.F.K.

Mr. Bates Relates to Our Generation

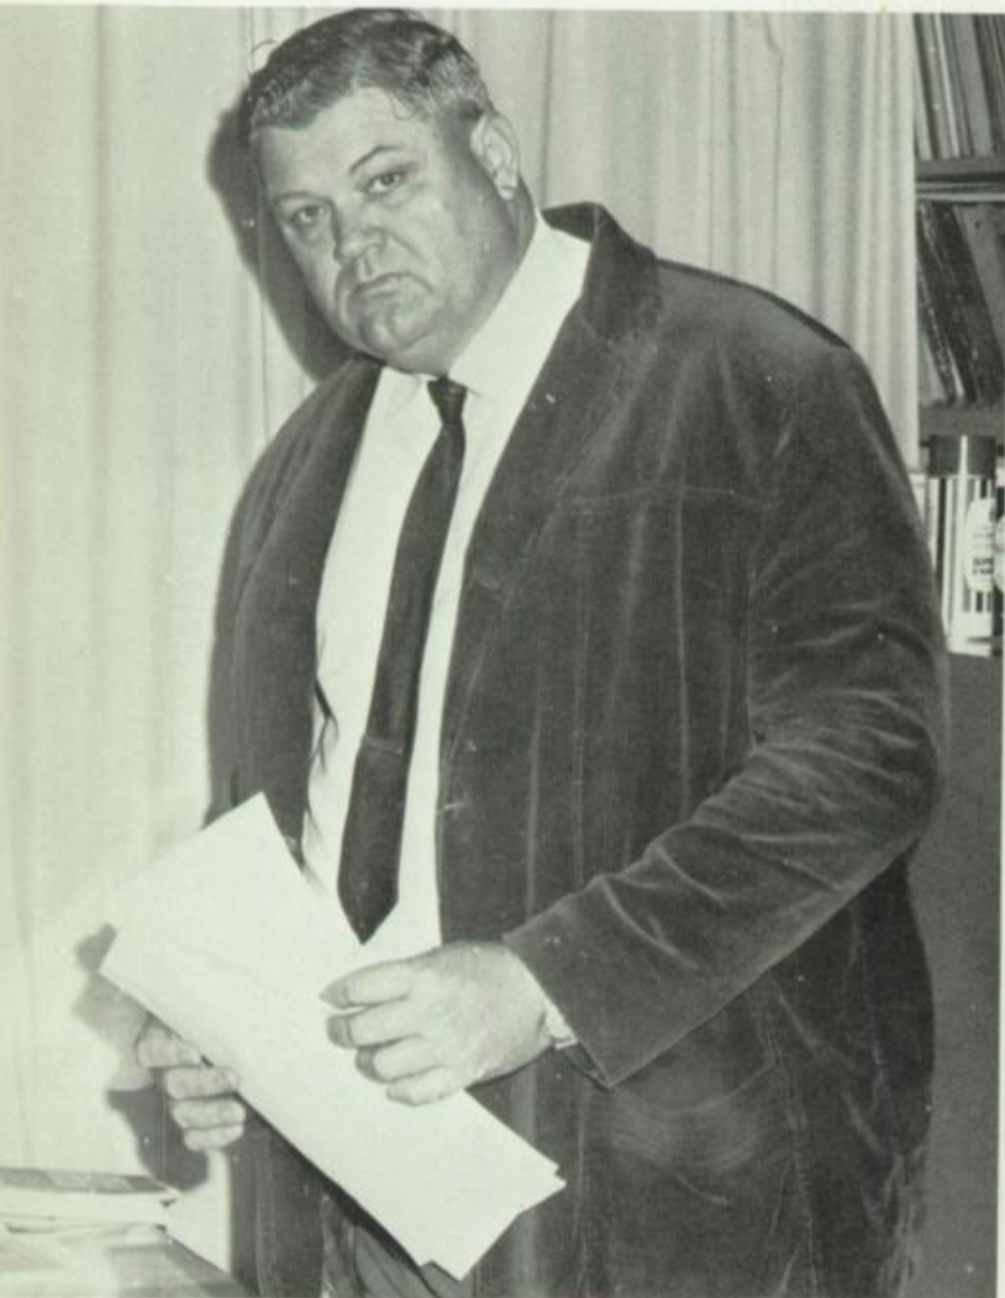

Every generation has its own fads, its own music, its own ideals and its own special people. These usually go as fast as they come, leaving way for the next generation's own.

But sometimes there is a person that doesn't fade away with a particular generation, but relates to all. Such a person is Mr. Jesse Bates, Industrial Cooperative training teacher at AHS. For this reason the 1969 Angle is dedicated to you, Mr. Bates.

For the last nineteen year, several AHS generations have had Mr. Bates' help. As Senior class sponsor for most of these years, he has led all their activities—Kid Day, senior float, graduation. He is and has been a vital part of every senior's life.

In the last few years he has started a project to beautify the AHS campus. Trees and shrubs he is planting now will surely grow to inspire not only our generation, but generations to come

Angle, Tattler Hold Political Convention

Angle and Tattler staffs kicked off their sales campaign with a mock political convention on October 2. Started by the LBJ family, it swelled into a riotously funny combination of satire, soul music, and slapstick. In her witty Texan drawl, Linda Bell swung the convention into action as Lady Bird Johnson. Main speakers were Colonel Obtuse R. Angle, as portrayed by Jimmy Hughey, and Little Miss Tattler, played by Kaye Stawarczik. There were delegates for both organizations, and campaign songs were used to promote the convention theme. Jim Clark gave a unique impersonation of Tiny Tim singing "Tiptoe Through the Tattler" and "Judge" Bill Willis presented "Here Come de Book!"

Citizenship Day Observed

AHS celebrated its second annual Citizenship Day with an assembly on November 7.

Approximately 1200 students crammed into the school auditorium to hear Orville Roberts talk on "Love of One's Country." Mr. J. C. Brockman spoke on "Civic Responsibility." Also, special citizenship cards were presented to prominent citizens for outstanding service to the community. Students Lynn Bergen and David Duffy received \$25 savings bonds for their themes on local government.

Flags that had been flown over the nation's capital and the State capital were presented to Mr. Jack Muldrow by Mr. R. L. Cotton. The flags were placed in the care of the student council. They are to be flown only on special occasions.

As far as known, AHS is the only school in Texas that celebrates Citizenship Day. It is celebrated annually by an assembly and some special event. This year a telegram was sent to Governor John Connally with the signatures of students supporting Citizenship Day.

County Fair Brings Felicity to All

The rain, heat and humidity all failed to put a damper on the spirits of AHS as they marched through the streets of town in the annual fair parade. This began the week of fun and felicity, when our generation's surfers and cowboys joined in a week of food, games, rides, and exhibits.

Five lovely representatives of Angleton's youth entered competition for fair and rodeo queens. The fair queen representative, Kathi Sims, rode a float which followed the theme of the woman who lived in the shoe. Our four western belles were Susan Townes, Ann Vickers, Sandra Journey, and Susan Thompson. Ann was named first runner-up and Susan Townes third.

Alice Woodside was named third high point girl in 4H work after receiving eighteen first place ribbons. Ricky Otto's photograph of a drop of water was named Most Original.

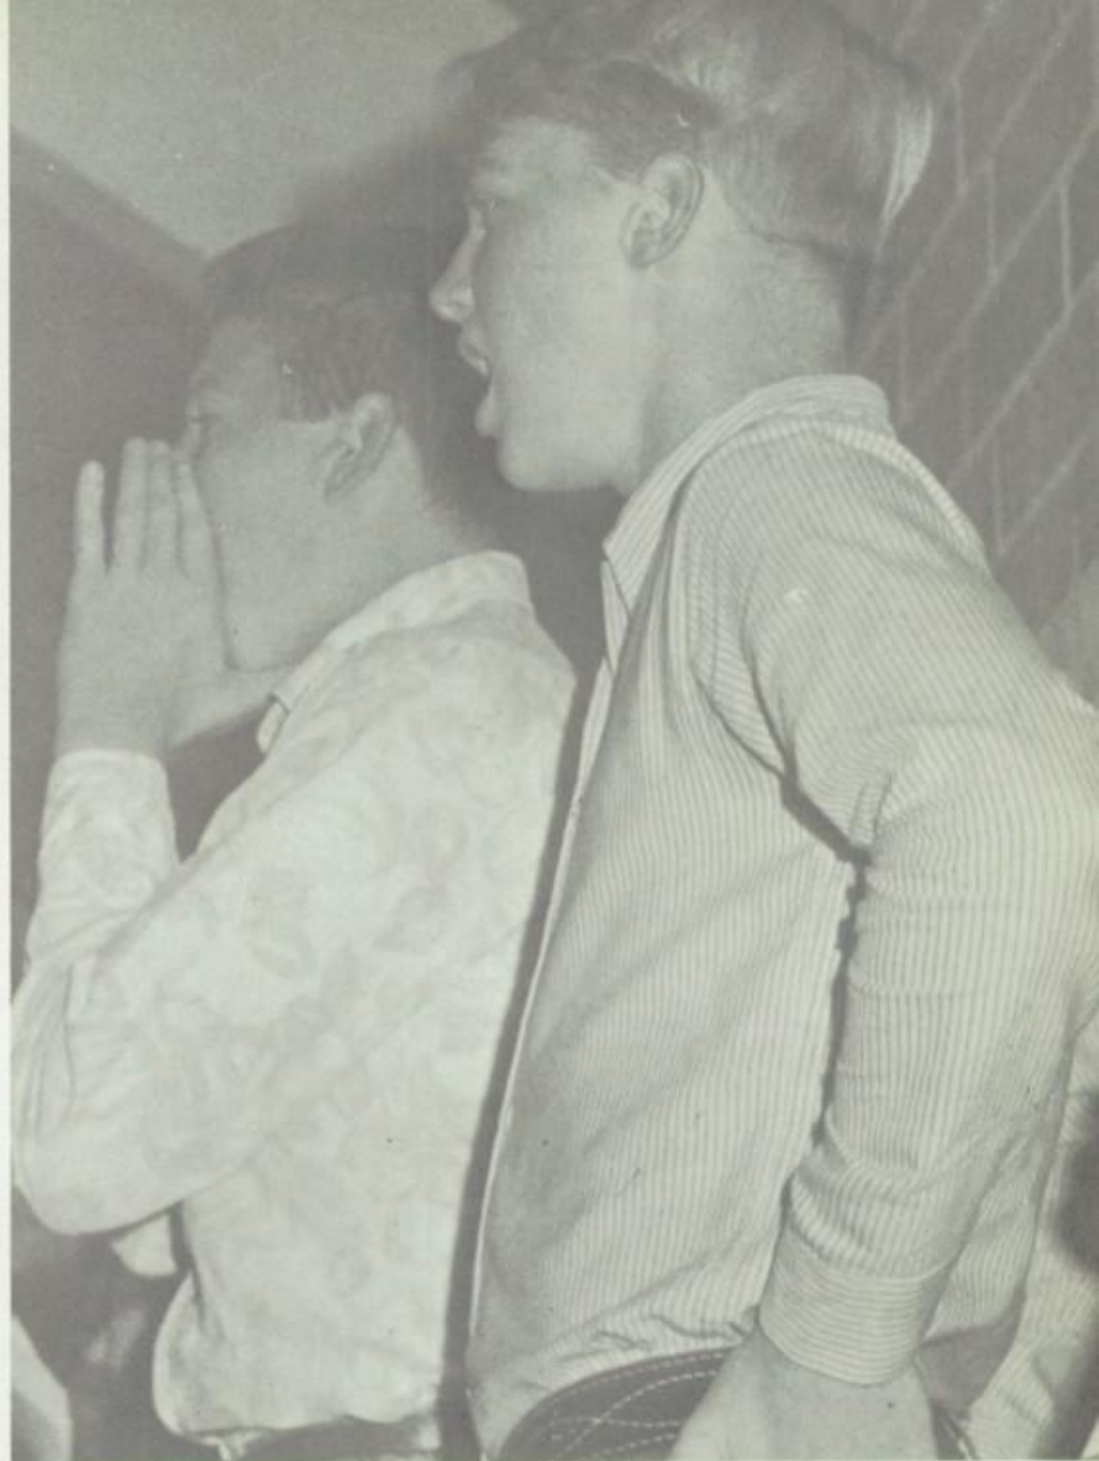

1968 Pep Rallies Termed Best Yet

"Win, win for old AHS ... Freshman yell ... All for Angleton ... Go, Cats, Go (stomp, stomp) ... We have had several real good ... Super Wildcat conquers again ... Go, Cats, Go ... Wildcats great ... District '68 ... Hey, good luck ... L.U.C.K. ... V-I-C-T-O-R-Y ... The future years shall not erase ..."

Many hours of hard work were put in by cheerleaders, band members, twirlers, the pep squad, and many others to make the 1968 pep rallies the best yet. Student participation and enthusiasm was at its best in years as proven by the crowded gym and the spontaneous outbursts of student chants. This thirty spirit-packed minutes did their share in helping to boost the Wildcats to a Co-District Championship.

“Pajama Game” Rates Standing Ovation

“Pajama Game,” the second musical produced by the AHS drama, music, and art departments, proved to be a great success. Many hours of hard work resulted in standing ovations at both performances.

Cary Burkett, cast as superintendent of the pajama factory, was recognized by fellow cast members as a real professional. His romantic interest was provided by Gina DeBlanc, a newcomer to the theatrical department.

Suzanne Munson, playing Gladys, added life to the play with her Steam Heat number and her slightly unsober scene in “Hernando’s Hideaway.”

Scott Stevens, Russell Wilcox, and Stanley Montgomery added many humorous touches. Johnny Johnson brought down the house with his “Her Is” number.

Special performances were turned in by Cindy Simmons, Linda Bell, Harvey Lewis, Gail Harris, Mollie Brockman, Nancy Bird, Betty McDaniel, Dee Spears, and Joan Schiltz.

Matt's Rats Trap McCauley '69ers

"Juniors great!" was the cry when Matt's Rats (juniors) defeated McCauley's '69ers (seniors) by a score of 14-8 at the annual Powder-puff football game held November 1 at Wildcat Stadium.

Coaching the Seniors were varsity football players Bill McCauley, Steven Brothers, Leonard Rice, and LeRoy Maddox. Juniors Charles Stewart, Matt Wingo, David White, and Wayne Perdue coached the junior team.

Leading cheers for the seniors were John Jackson, John Mc-Nevin, Kenneth Donnell, Rodney Bazar, Jim Clark, Gary Cotton, and Steve Broussard. Junior cheerleaders were Kenny McCaskill, Pete Starks, David Creech, Billy Crowell, Ben Hargis, and Alan Martin.

Star players for the seniors were Marsha Hajacate and Hortencia Calderon. Leading the juniors to victory were Paula Brothers and Susan Winn.

The audience was entertained at half time by two questionable bands. The senior band entertained with a special of "Yummy, Yummy, Yummy," while forming a giant "S" lying down. Juniors then performed with the theme song "The Stripper," and took it literally.

Holiday Happiness Engulfs AHS

Student spirits soared high during the month of December. Everywhere gaiety reigned supreme as bulletin boards, doorways, and even entire rooms were decked in holiday attire.

Office girls exchanged gifts at their annual party, and several school clubs sponsored parties or went caroling. AHS was even honored to have Santa (in the guise of Mr. Muldrow) who went to all the buildings during sixth period to extend his greetings to all he met. His little helpers (Mr. and Mrs. Trainer) passed out candy canes to all their students the day before the holidays.

Faculty and students alike "got their jollies" from special insert sheets in the *Tattler* which conveyed personal messages to friends and foes, wishing all seasons greetings.

Arbor Day Commemorates Former Students and Teachers

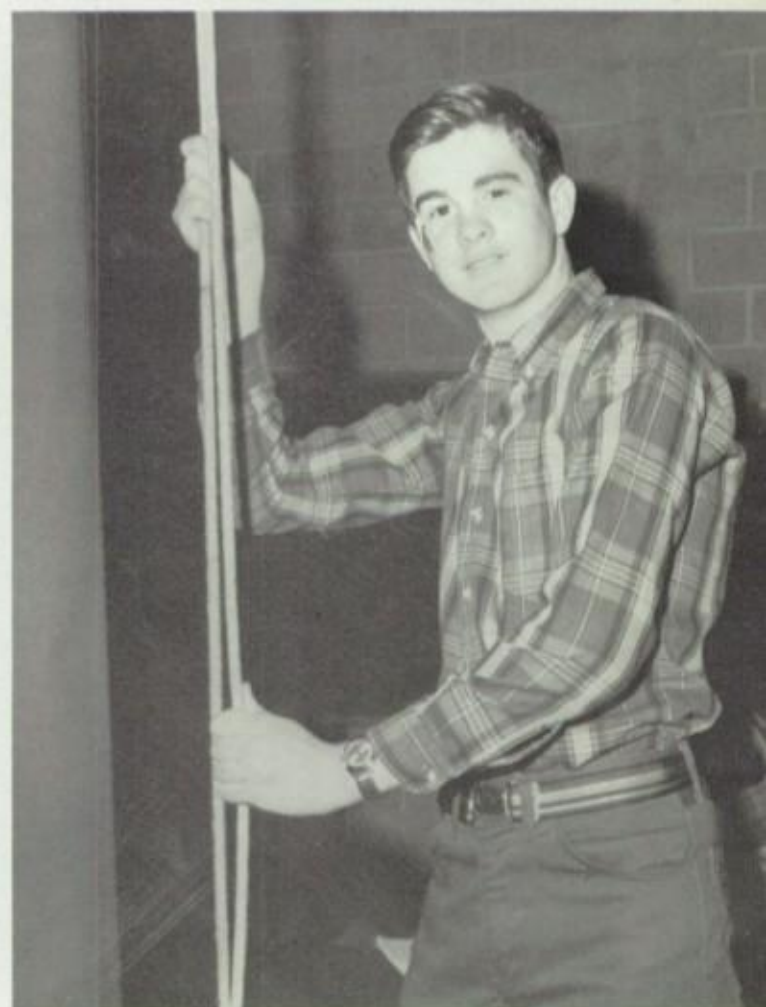

A blustery Friday in January saw the observance of Arbor Day at AHS this year. The entire student body and faculty stood reverently in the cold to witness the dedication of sixteen trees to former students and teachers of AHS. Mr. Mitchell spoke on the symbolic significance of honoring departed persons with these trees. Mr. Bates worked diligently behind the scenes to make the assembly possible.

The trees were presented by classes, clubs, and the administration in memory of: Mike Cotton, Mr. Joe Denton, Jimmy Lynn Cherry, Robert Dunn, Sylvester Martinez, John Pride, Elaine White, Beth Self, John DeGaugh, Donna Kensey, Suzanne Owens, Mrs. Marjorie Martin, Mr. Joe Williamson, Richard Thomas, Mrs. Henry C. Gibson, and Pat Greener.

“Mousetrap” Cast Captivates Audience

Mystery and anxiety prevailed over the audiences of AHS's production of "The Mousetrap," a popular thriller by Agatha Christie.

An English detective story, the play was based on the murder of Mrs. Boyle, the ever-complaining old lady at Monkswell Manor, who was portrayed by Patsy Tengler. Sgt. Trotter, played by Cary Burkett, investigated the murder. A variety of mysterious guests at the boarding house, one of whom was the murderer added to the mystery as the plot thickened.

Bill Muse played the confused owner of the boarding house, Giles Palston, and Suzy Munson played his distraught wife, Mollie.

Cast members included Betty McDaniel as Miss Casewell, Johnny Johnson as Christopher Wren, Dennis Neighbours as Mr. Paravicini, and Harry Lewis as Major Metcalf.

Mike Smith was stage manager and Nancy Bird was student director. House managers were Peggy Lang and Joan Schiltz.

The set crew was composed of Ronald Sandlin, Vicki Powell, Patti Kelly, Jan Eberspacher, Ted Carr, Robert Rice, Bill Stevens, Carl Blomshield, Dee Spears, Scott Stevens, Terry Burcham. Prop crew—Rick Taylor and Ken Murray. Sound crew—Linda McCaskill and Ricky Jones. Costume crew—Debbie Myrick and Dana Pincknev. Light crew—Stuart Herbst, Tim Hurst, Robert Fielder. Make-Up crew—Jane Clayton, Holly Harris, Alice Prilop, La Rue Neville, Carol Braswell.

Publicity Committee members were Jane Clayton, Claire Harrison, Theresa Greathouse, and Synthia Brown.

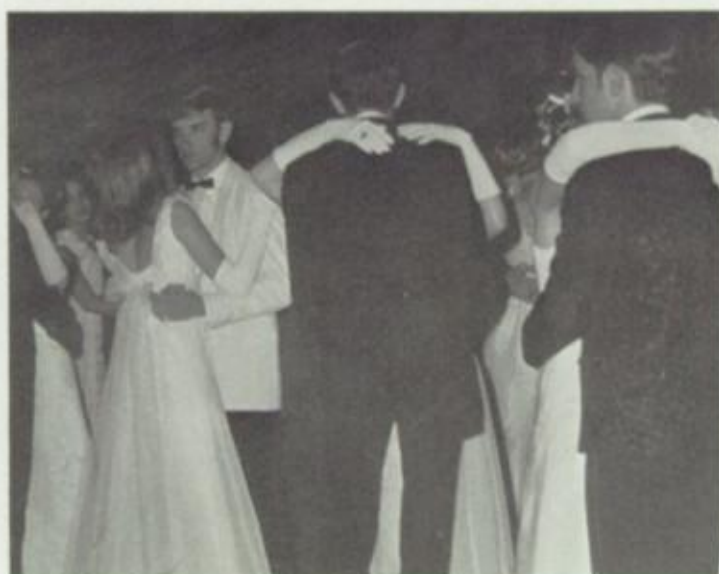

Juniors Stage 17th Century Downpour

Neither mud and rain, basketballers at state, or controversy over dress lengths stopped the show March 15 as AHS held its annual Junior-Senior Prom and Banquet.

Juniors and seniors and their dates dined and danced amidst multicolored flowers and trees and shining mirrors in an Armory transformed into a Chateau de Glace with a 17th Century French theme.

Banquet entertainment was the reading of the Senior Class history and a buffet meal of ham and roast beef. The Sound Investment, a Houston group, beat a steady musical blast for the prom.

Linda Bell Crowned Angleton's Junior Miss

December 7 saw the crowning of Angleton's second Junior Miss, Linda Bell. In this annual event, sponsored by the Angleton Jaycees, Linda McCaskill was first runner-up and Mary Lynn Lostracco was second runner-up.

Other senior girls competing for the title were Kathi Sims, Johnnie Harris, Suzy Munson, Nancy Bird, Betty McDaniel, Debbie Vaughan, and Teresa Greathouse.

The girls were judged on poise and personality, appearance, talent, scholarship, and physical fitness. Linda McCaskill won the physical fitness award and Kathi Sims won the scholastic award. Linda Bell won the poise and appearance award and also swept the talent category with her dramatic portrayal of Ophelia from "Hamlet."

Cary Burkett served as master of ceremonies and also sang the Junior Miss song.

Linda participated in the state Junior Miss Pageant at New Braunfels the second week in January.

Flags Are Presented to Council

When the History Department secured flags which had flown over the state and national capitals, it entrusted them to the Student Council to fly over the school on days left to their discretion. The council selected eight school days to be commemorated by their solemn ceremonies.

Other than national patriotism, the Council furthered school spirit by the preparation of programs for the girls varsity basketball during district, regional and state games. Previous projects such as dances, bookcovers and directories were continued and a new project, an orientation handbook, was begun.

The officers elected to serve the council were as follows: president—Jim Clark, vice-president—Gary Donnelly, recording secretary—Linda McCaskill, corresponding secretary—Patricia Miksovsky, treasurer—Leonard Rice, reporter—Charles Stewart, sergeant at arms—David White, parliamentarian—Artie Roesler.

Construct Various AHS Projects

Following the installation of officers in September, the FHA began their many activities and projects which contributed so much to the spirit of AHS this year. Their time and efforts went to such projects as concession stands and pep rally signs during the football season and after much planning, a Christmas dance and banquet was held in December. Leonard Rice was elected FHA Beau and presented with an identification bracelet.

As spring came, the FHA gave their annual tea for the eighth grade girls, and proudly placed in several categories of homemaking at the Brazoria County Fair and the FFA and FHA Youth Fair.

Two FHA members, Elizabeth Day and Danna Wilson, represented AHS at the area meeting at the University of Houston. After an abrupt FHA Week, the girls could still be seen working on the AHS campus, finishing the year with something better for next year's FHA to work with.

Pictured from left to right are Ruth Williams, Danna Wilson, Elizabeth Day, Ellen Franklin, Virginia Parker, Shirley Jackson, Dorothy Cannon, Mary Jones, Roxy Carter, and Linda Bell.

Junior Historians Write Local History Themes

The Junior Historians, an organization sponsored by Mr. Donald Stallings, began a new chapter at AHS this year with a select number of AHS's best history students and writers.

Members wrote local history themes and Nancy Stockwell's "Symbolism In The Cemetery" was judged best.

In February the club observed National Historical Month by placing displays in local banks.

In April they presented an assembly where a Texas Ranger spoke to the student body. Also they presented certificates to all students with an "A" average in history courses.

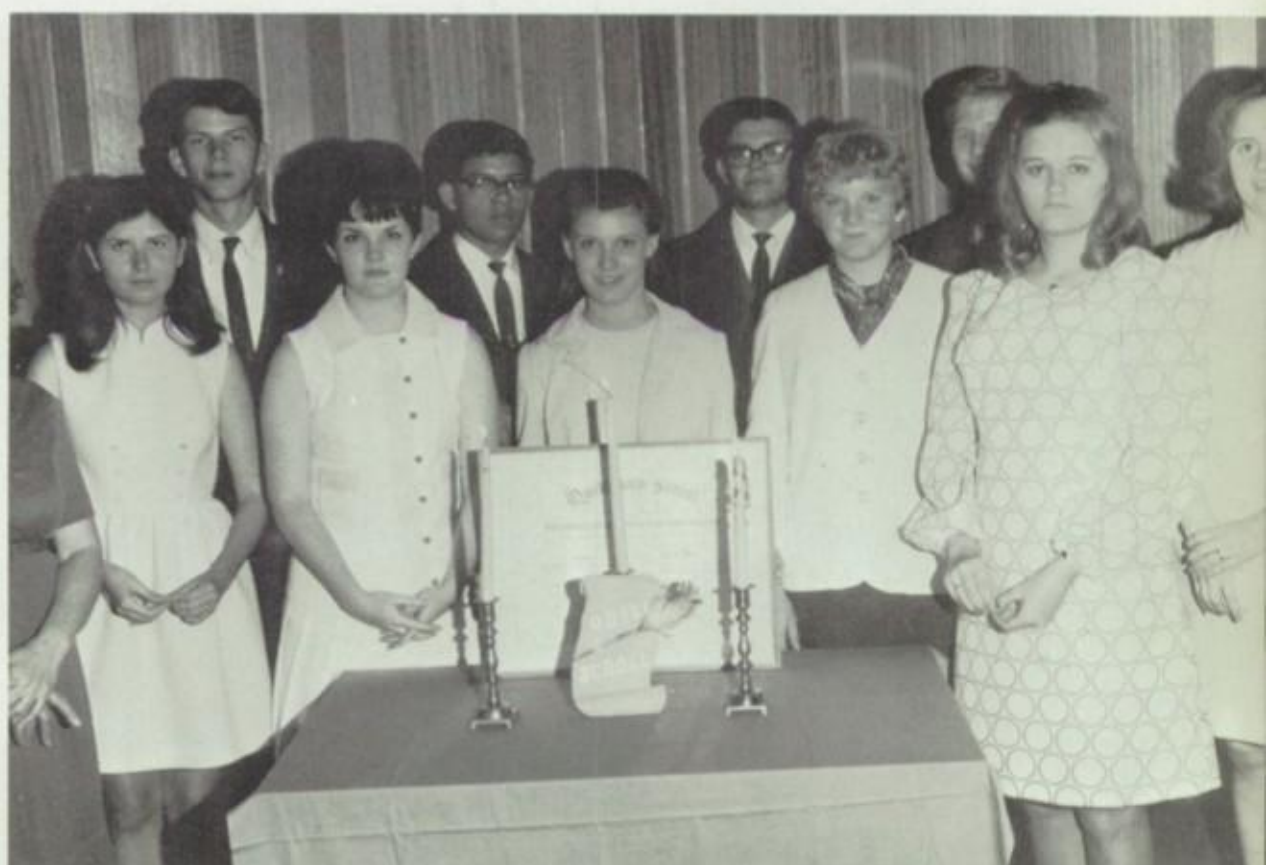

Officers for the club were Johnnie Harris, president; Barbara Albrecht, vice-president; Annette Elledge, recording secretary; Danna Wilson, corresponding secretary; Kathy Badger, treasurer, Gale Hendricks, reporter; and Fred Knopp, parliamentarian.

DE Students Learn Selling Trade

The Distributive Education Club helped prepare students for the world outside of high school. These students worked at selling jobs for half a day and went to school the other half. They attended a special D.E. class and learned selling techniques.

The students put their on-the-job training and classroom knowledge into practice when they attended regional contests.

Participation in school activities also kept the club busy. For homecoming they sold mum corsages and on Kid Day they provided candied apples.

This year there were twenty-six members in the club. Officers were: Don Seibert, president; Pat Travis, vice-president; Beth Stark, secretary; Joe Permenter, treasurer; Barbara Peveto, reporter; Linda Silas, Dora Robles, and Sandy Martinex, Historians. Mr. Wehrly was sponsor.

Science Club Re-Creates "Frankenstein"

The AHS Science Club, organized to enlarge the scope of scientific-minded students, made several trips this year.

The young scientists made a journey to Galveston to take part in Heart Career Day and then a trip to Baker's Planetarium to undertake a walk in the moonlight. (Get it?)

They also started a trip to the Science Fair in Houston but met with mechanical failure and abandoned the journey.

President of the club was Scott Johnson. Other officers were Johnny Jackson, vice-president; Debbie Park, secretary; and Pam O'Quinn, treasurer. Mr. Vahrenkamp, sponsor, is the Frankenstein below.

Medical Careers Club Gets Good Start

A new club at AHS, the Medical Careers Club was extremely successful this year. The club was formed to provide students with an interest in medical careers with information as to the requirements and qualifications needed to enter their chosen profession. They had many guest speakers who were active in medical professions. Among these were Dr. Russell, administrator of the Angleton-Danbury Hospital, and Mrs. Metcalf, head of the Alvin Junior College nurses' training.

There were fifteen members of the club. Officers were Pat Keels, president; Hortencia Calderon, first vice-president; Louise Gonzales, second vice-president and historian; Joyce Sifford, secretary; and Patsy Nobles, reporter. Sponsor was Mrs. Sammie Taylor.

Cary Burkett Receives Best Thespian Award

Cary Burkett, a four-year AHS drama participant, received the Best Thespian Award in award ceremonies May 13. Cary was also named Best Actor for his performance in "David and Lisa."

Suzanne Munson was named Best Actress. Best Supporting Actor went to Harvey Lewis, with the Best Supporting Actress award going to Betty McDaniel. Outstanding Single Performance awards went to Cary Burkett and Suzanne Munson. Stuart Herbst was awarded as Best Technician.

Twenty-five new members were inducted into the club this year. Honorary faculty members initiated were Mr. Stallings, Mrs. Rasco, and Mr. Schroeder.

In January the Thespian Society went to Houston to see "Funny Girl."

Thespian officers were: Cary Burkett, president; Suzanne Munson, vice-president; Debbie Vaughan, secretary; and Betty McDaniel, treasurer.

Pep Squad Sports New Routines

AHS boasted its best-organized Pep Squad this year. Over fifty selected girls came out in bright purple and white to support Wildcat sports' activities.

Five members (Beth Malandrucolo, Debbie Park, Sharon Barker, Evelyn Hutchins and Lynn Shaw) attended an SMU Workshop during the summer to learn new pom-pom routines and other special acts for pep rallies and games. In addition girls painted signs and helped decorate the gym for pep rallies and basketball games.

The Pep Squad beau for this year was Steven Brothers.

Officers were Beth Malandrucolo, president; Sharon Barker and Debbie Myrick, vice-presidents; Debbie Park, secretary, Debbie Crabtree, treasurer; Gail Purdue, reporter; and Carole Waldrep and Lynn Shaw, sergeants-at-arms.

Cheerleaders Create Ample Spirit

"We've got spirit! S-P-I-R-I-T!" AHS cheerleaders worked very hard boosting Wildcat spirit this year and they definitely succeeded. The signs were really evident, all the way from unpredictable outbursts of "Go, Cats, Go" in pep rallies to the silent pride of AHS felt in every hallway.

Starting this past summer by attending the National Cheerleaders Association Clinic at SMU, this energetic squad began the season with much action. They decorated goal posts and dressing rooms for the games. For pep rallies, they decorated the gym, made locker pennants, and put on some of the funniest skits ever seen at AHS. Each week found the entire school filled with spirit banners and everyone fighting to buy booster tags and find a seat in the pepole-packed pep rallies.

Sophomores Lead Cheers of Support

The Junior Varsity began work in the summer striving to increase team spirit and urging their team towards an undefeated season. They made booster signs and attended all JV games to back up their team and give them confidence.

Sponsored by Miss Besada, this eager group also cheered at many basketball games.

The Freshman cheerleaders, along with sponsor Miss Ehlinger, began work in the summer to prepare to boost the spirits of their team. Cheering the boys to victory and making booster signs are just a few of the things that this vivacious group did. They also made miniature spirit sticks and locker pennants for the Freshman game at Homecoming.

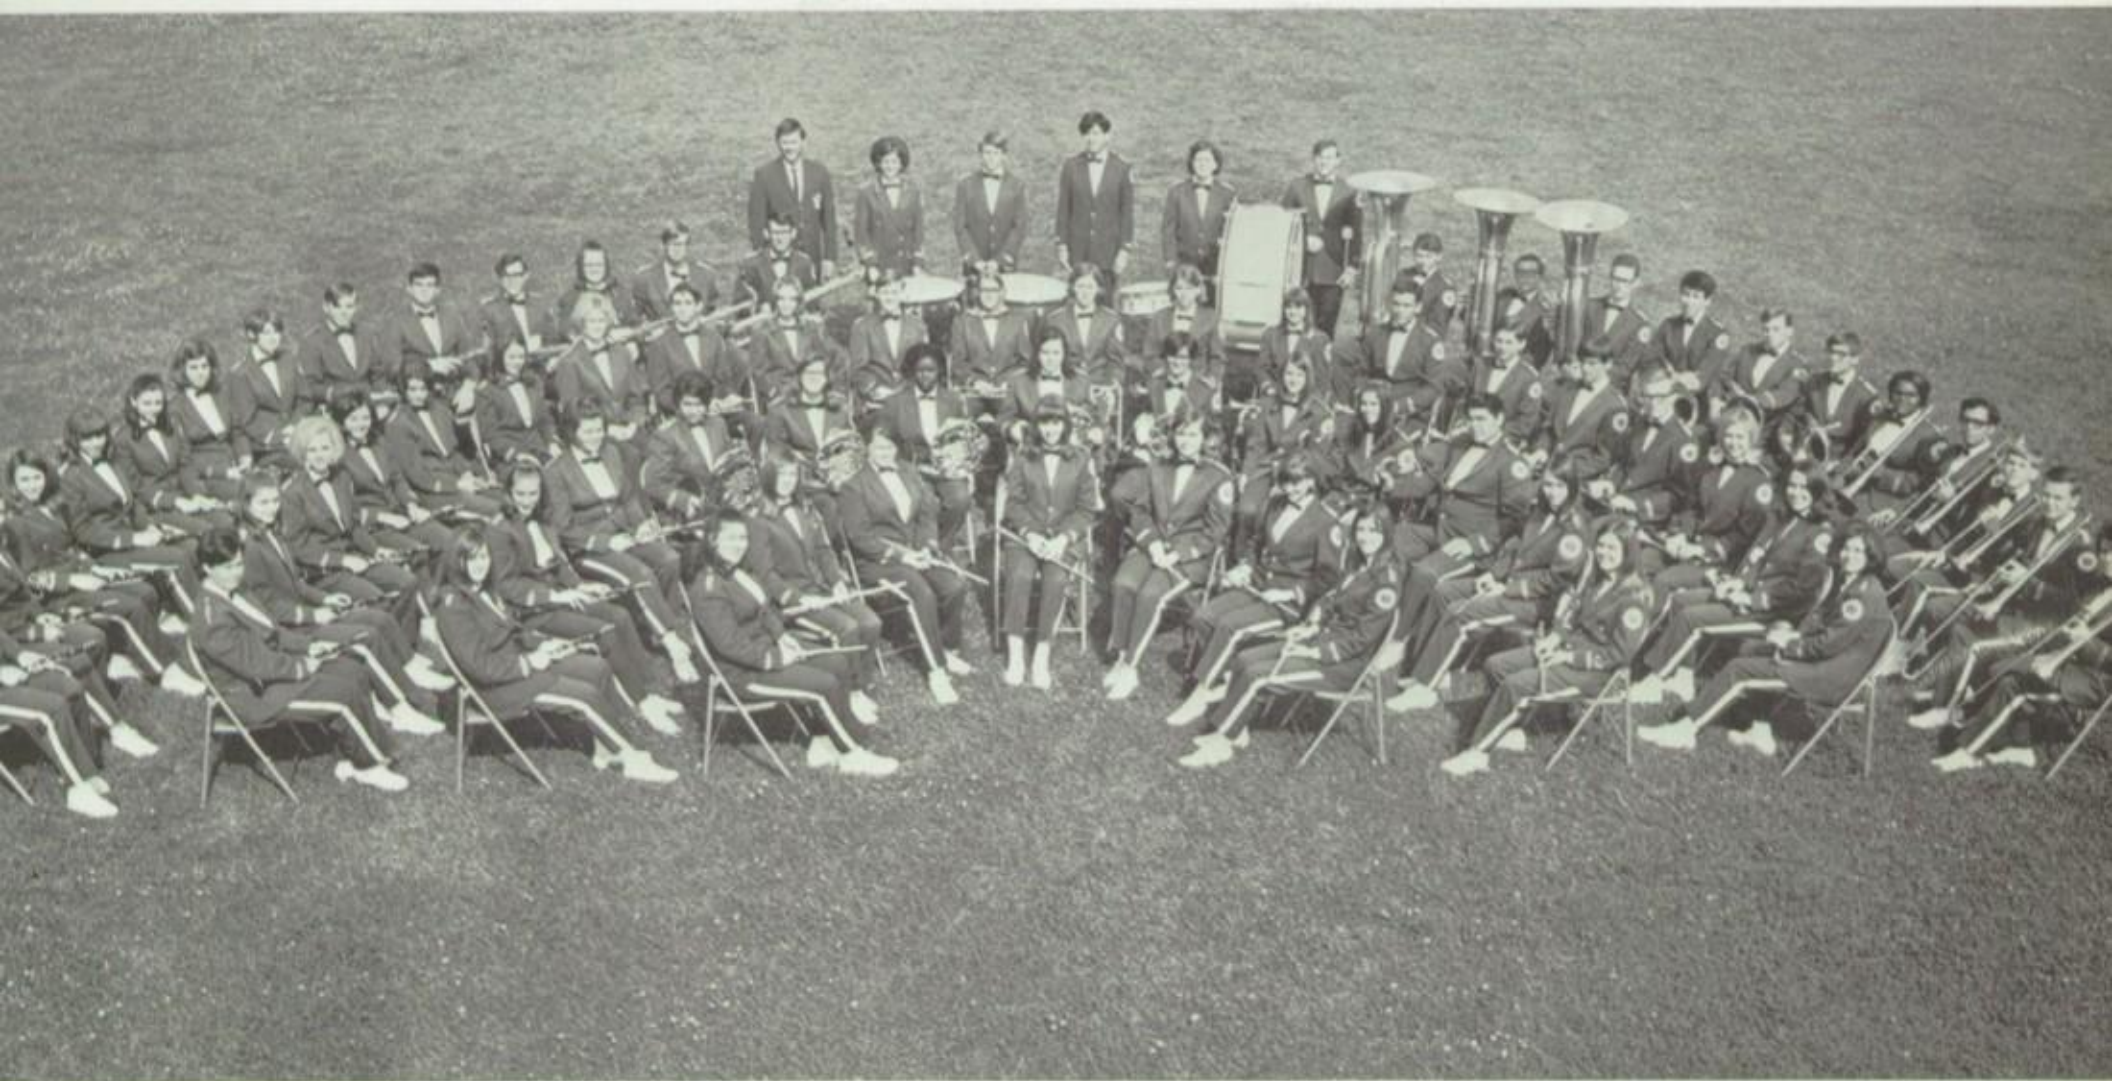

Honors Band

At the UIL contest, the Honors Band received straight first division ratings in concert playing and sight reading, becoming the only AAA band in region to receive straight firsts in all UIL events.

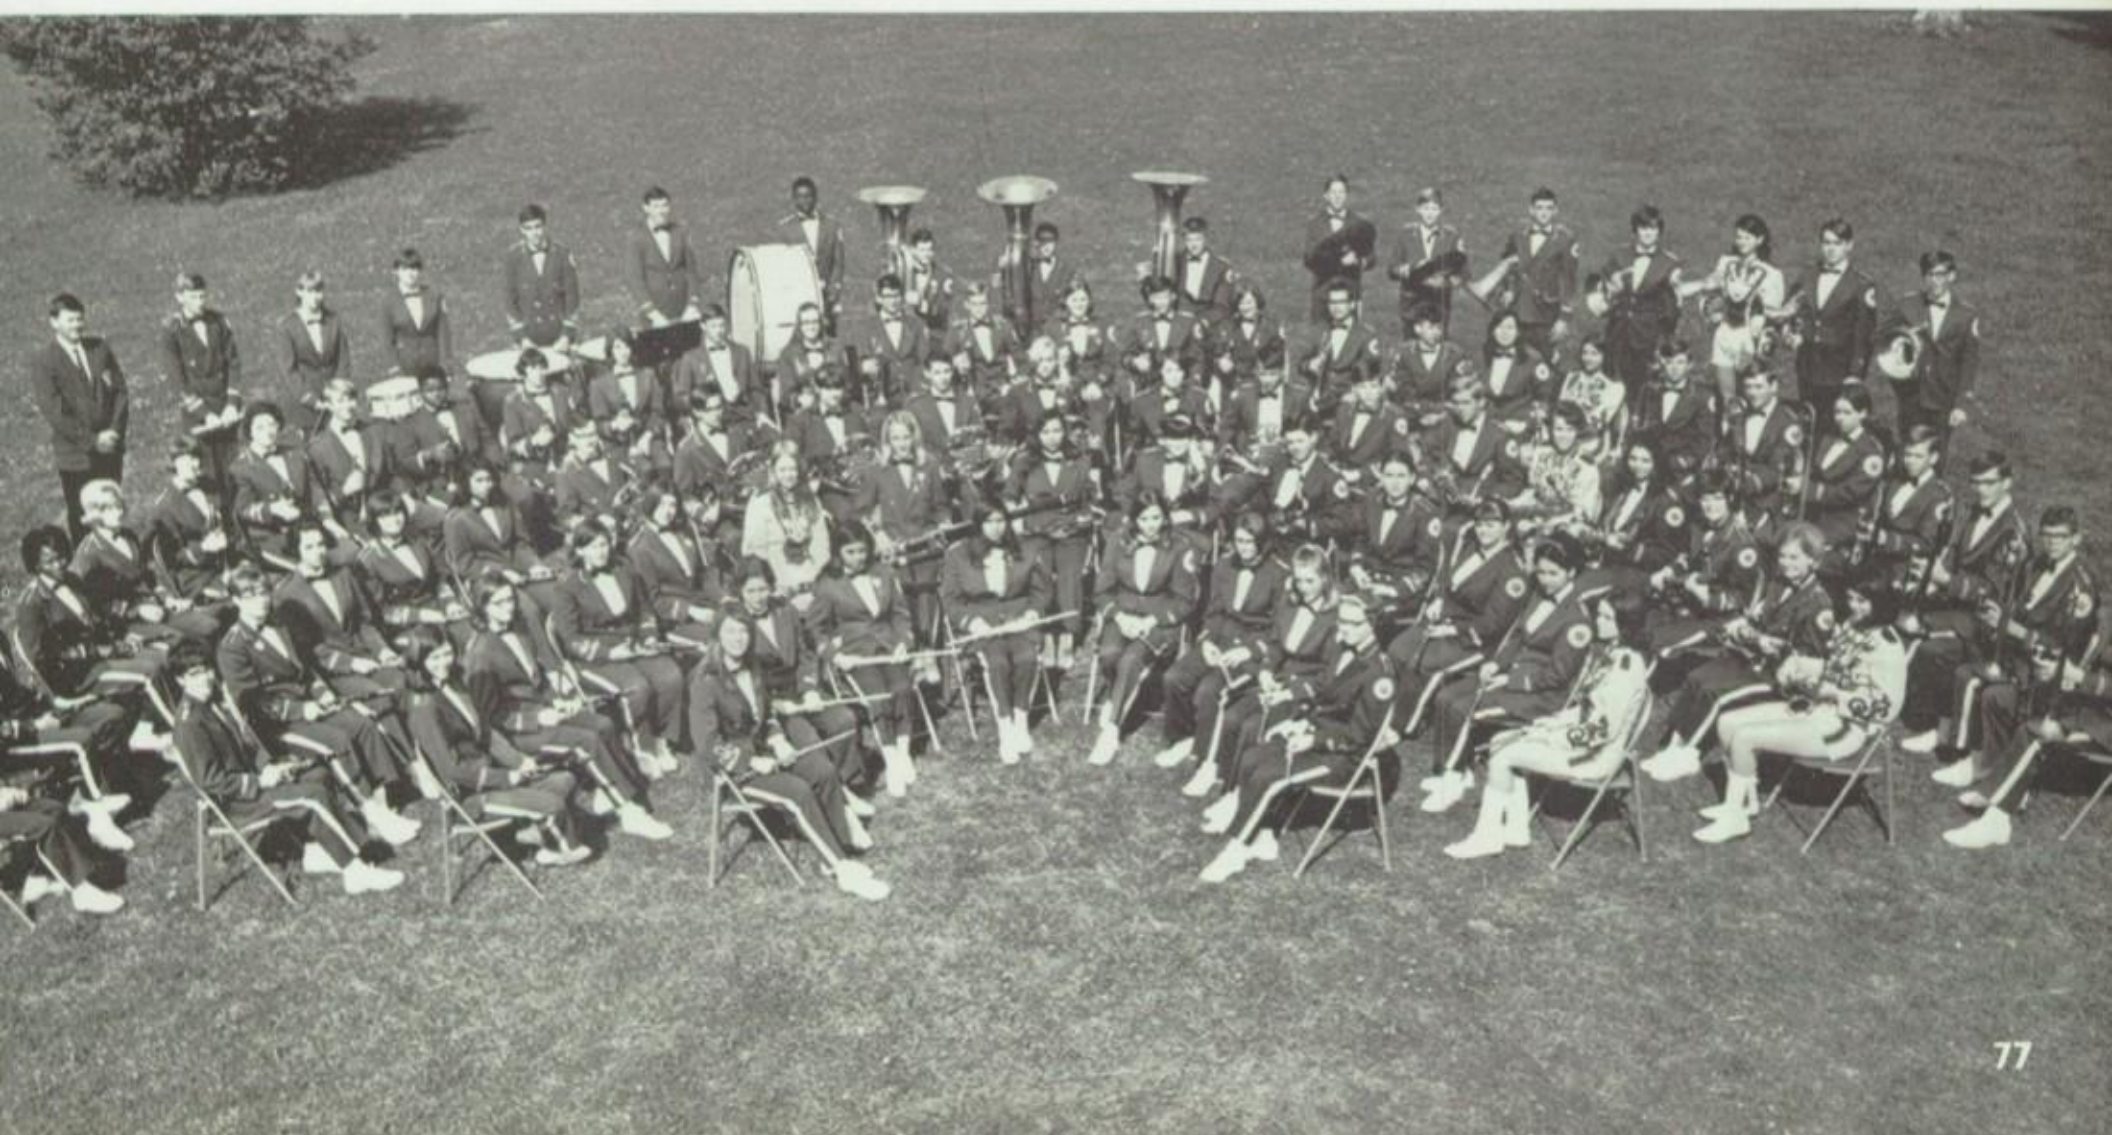

The Symphonic Band received a third in concert and a second in sight reading. The Concert Band received a third division rating in both concert and sight reading.

At the Six Flags Over Texas Band Festival, the Honors Band received a first division rating and was selected Best Of Class in AAA.

Throughout Region III, the consensus was that among AAA bands, AHS had the biggest and the best.

This year the total number of band students reached 260. They were divided into three bands: Honors Band, directed by Mr. Hood; and the Symphonic Band and Concert Band, both directed by Mr. West.

During several football games the bands combined to march 224 students. At the halftime of the Dulles game, a patriotic drill combined the AHS bands and choirs with those of the junior high for a total of over 600 students on the field.

At the UIL Marching contest, the band received straight first division ratings. The Freshman Band received a second division rating.

"Tomorrow Night Show" Theme of Band Capades

"The Tomorrow Night Show," a take-off on Johnny Carson's television show, was the theme of the 1969 Band Capades. Band president Jimmy Hughey took the part of Johnny Carson while Clyde Neal portrayed Ed McMayonaise. Mr. Don West led the Stage Band.

Acts included "Konyak the Magnificent," a crack mind-reading act by Jimmy Hughey; A Mollie Brockman vocal; Cary Burkett as Dino Martini; a Mark Craven—Stuart Herbst music and comedy act; The Flower Trio composed of Johnnie Harris, Kathi Sims, and Jane Clayton; "Mission Impossible," "Dickey the Stick," a vocal by Jimmy Jim Clark; a faculty quartet of Mr. Hood, Mr. Hickfang, Mr. West, and Mr. Hummel; Professor Pat Smith; the Silver Spinners, a dance group of AHS twirlers; the AHS Pop Choir; and the Love Company, Incorporated.

AHS Choirs Expand

1968-69 was a year of progress and expansion in the Choral Music Department. The Concert Choir of 59 voices won first division honors in festival competition for the second straight year.

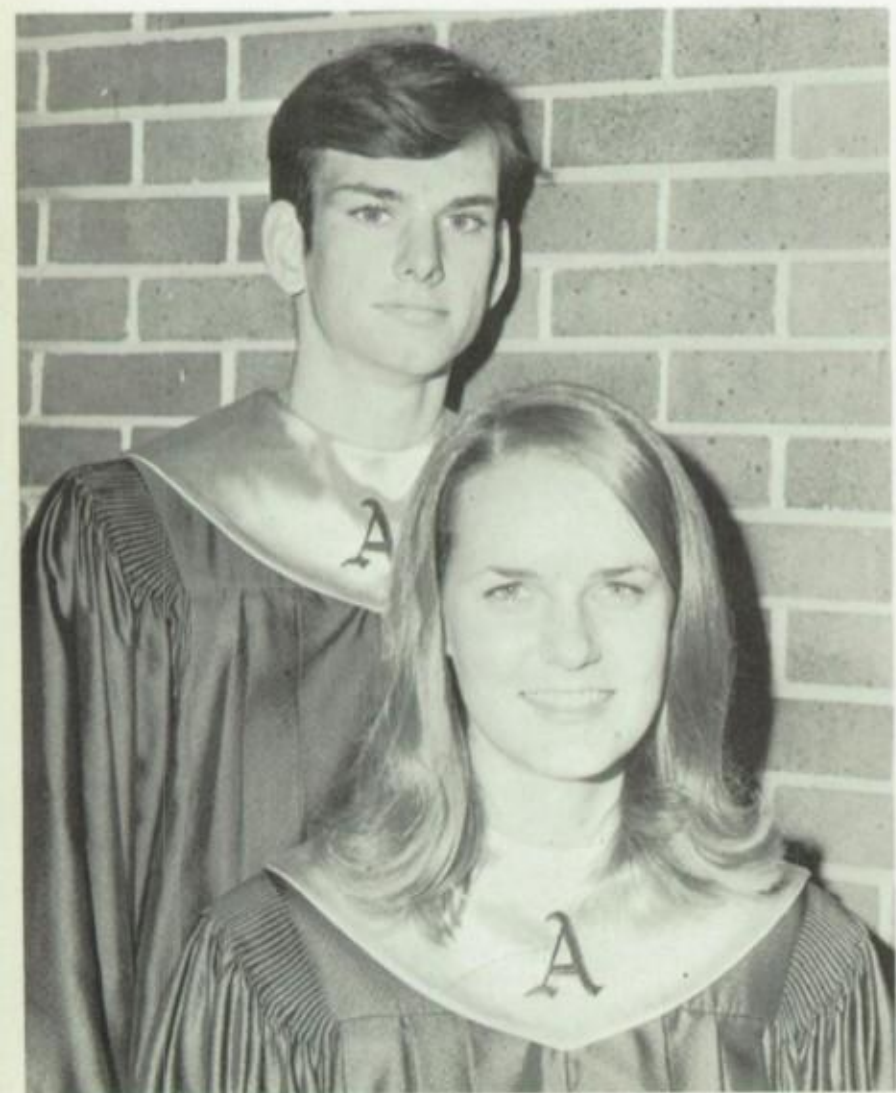

In addition to performances for assemblies, a special halftime show with bands, formal concerts, Christmas Caroling, and many more services were yielded. The Choir presented concerts in Alvin, Pearland, Sam Houston State College, and Giddings in its first tour.

"Pajama Game" was presented as a project on the entire Fine Arts Department in mid-November.

Nine students were selected to the 96 voice All-Region Choir; two of these being selected to the All-State Choir. Nine individuals and two madrigals won first division honors in UIL Solo and Ensemble competition with one being certified to the State Solo & Ensemble competition at University of Texas, June 3-4.

A special training choir of mixed voices (primarily freshmen and sophomores) did well in contest and as a 'feeder' group will strengthen the Concert Choir in the future.

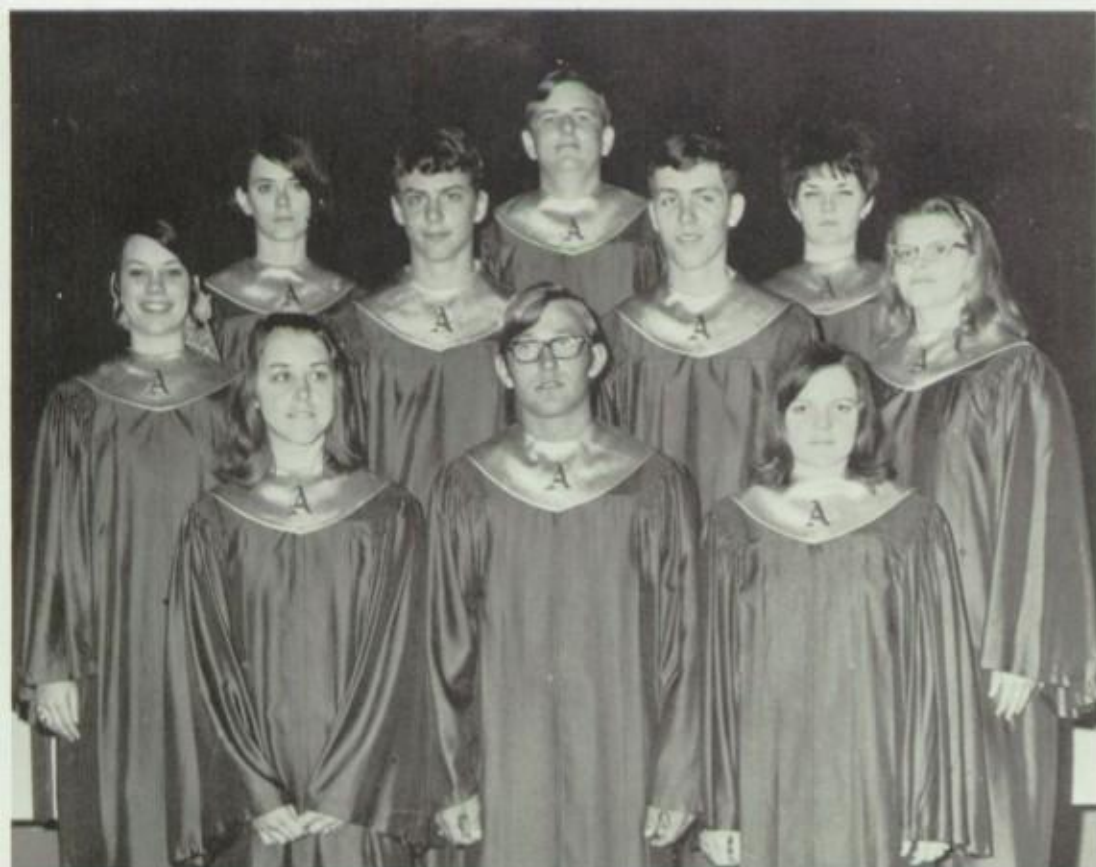

This year, the Angleton High "Pop" Choir was organized and proved to be a very popular and versatile group that made numerous appearances over the Angleton area as well as with the Concert Choir on tour.

The leading scorer for the year was Billy Adams with 48 points. Neil Jasper was the leading rusher with over 850 yards. Jim Carter led the fabulous defense with 84 tackles and countless assists. Don Easton led the receiving club with 4 grabs for 71 yards. Leroy Maddox led in interceptions with 4. Don Easton also led in punt returns with 161 yards. Dickinson Edges Cats

In the Wildcats 1968 football premier, the Dickinson Gators edged the Cats by a score of 12-7. Angleton scored first on their second play with a 55 yd. sweep by Billy Adams. The Gators scored in the third and fourth quarter, but failed to make the extra points.

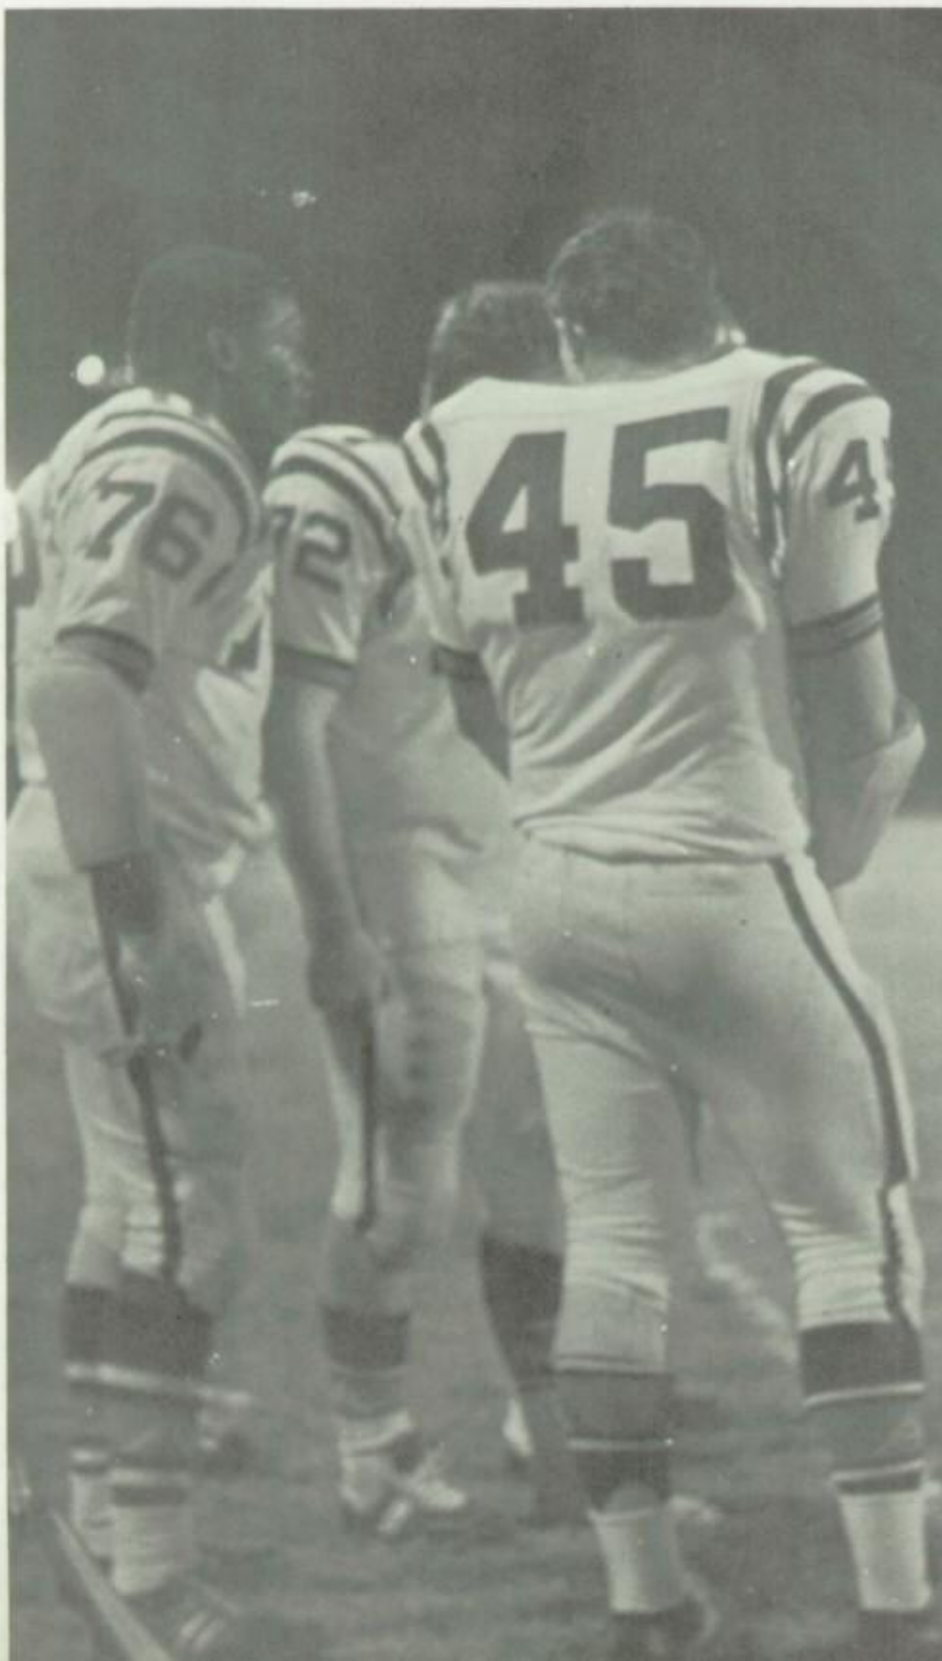

Alvin Trips Up Angleton

Alvin and Gary Keithley broke a thirteen year losing streak by sneaking past the Cats 21-17. The Cats drew first blood on a 10 yard scamper by Neil Jasper. Cary Sheffield kicked the PAT and a seventeen yard field goal. Billy Adams scored next on a 59 yard run and Sheffield tacked on the extra point. The rest of the scoring was dominated by the Yellow Jackets.

Cats Stomp LaPorte

The Cats rolled over LaPorte by a score of 20-8. All of Angleton's tallies came in the first half. Scores were made by Rick Crowell, Don Easton, and Billy Adams. Cary Sheffield booted the point after for the first two touchdowns. Neil Jasper was the leading rusher with 86 yards.

Billy Adams ran one across for one TD and passed to Leonard Rice for another. Cary Sheffield kicked a 32 yard field goal and booted one extra point. Rick Jones also put a PAT through the uprights.

Cats Roll Over El Campo

The Wildcats opened district play with a big victory, crushing El Campo 33-6. Cary Sheffield put the Cats out ahead to stay by kicking a 38 yard field goal in the first period. At the end of the first half, the score was 3-0. In the third quarter, Billy Adams threw to Don Easton for 64 yards and a TD. Rick Crowell scored next when Angleton capitalized on John Brantley's fumble recovery. Adams scored on Morris Diggs' fumble recovery on the three yard line. Neal Jasper scored last from two yards out.

Cats Blank Sweeny

The Wildcats made it two-in-a-row in district play by ripping past the Sweeny Bulldogs 44-0. To start the scoring, Billy Adams tossed an 8-yard pass to Leonard Rice for a TD. Cary Sheffield missed the PAT but kicked a 31-yard field goal to end the first half scoring. Terry Westbrook scored on a joint fumble recovery by Pete Starks and Kenneth Jackson. For the next score, Adams threw to Tony Ward for a 31-yard aerial TD. Don Easton was the next Cat star. He scored on a 75-yard punt return. The final score came on a 54-yard pass interception. The stalwart Cat defense turned in another brilliant performance.

Wildcats Crush Dulles

The Wildcats chalked up their third district win when they walked over the Dulles Vikings with a score of 34-7. Billy Adams made the only touchdown of the first half on a one yard plunge. The only Dulles score came when they ran back the opening kickoff of the second half. The second Cat score was off of a two yard plunge by Neil Jasper. Ricky Crowell grabbed a 17-yard pass from Adams for the next TD. Leonard Rice intercepted a pass to set up the final Cat score. The points went on the scoreboard after a 21 yard dash by Kenneth Jackson.

Wildcats Splash by Wharton

The Wildcats put their fourth win into the record books by crushing Wharton 19-0. The entire game was played on a cold, wet field. Neil Jasper, the leading rusher, scored in the first half. This was a sparkling 55-yard romp during which he broke more than six tackles. The cats came out in dry uniforms after the half and it wasn't long before powerful Terry Westbrook crashed into the endzone on a 3-yard plunge. Jasper made the final TD on a 20-yard scamper.

Cats Smash Edna

Angleton kept their district record clean by beating the Edna Cowboys 32-0. The first Cat score came when Billy Adams ran around the end from five yards out. Cary Sheffield missed the point after but kicked a 37-yard field goal to redeem himself. Speedy Don Easton hooked up with a 35-yard pass from Adams to end the scoring in the first half. The Edna center set up the next two Angleton scores on bad snaps to the punter. The first miscue resulted in a 10-yard run by Adams after the punter was brought down on his own 10. The next time the center hiked the ball out of the endzone for a safety. On the ensuing kick-off, Leroy Maddox returned the ball 60 yards for another TD.

Columbia 8, Angleton 0

Angleton's hopes were crushed on a 18-yard jump pass to Joe Fortenberry. A fake kick added the two point conversion. The major factors in the game were penalties and fumbles. The Wildcats got 6 penalties for 70 yards and had crucial drives stopped by 3 fumbles. The Cats looked great in the statistic department but found out that statistics can't win a game.

The AHS track team had a spring fling in 1969. The Cats took first place in eight meets and ended the season on the winner's stand at the state track meet in Austin. They carted away the silver cup for the state championship with 51 points. Billy Adams, Artie Brown, Neil Jasper, Tommy Bradshaw, Rick Crowell, Don Gaston, and Charles Yoes composed the winning team.

The deciding race was the mile relay. The boys ran an outstanding 3:19.6 with Adams and Gaston both clocking 49.6 for their 440's. The 40 relay came out of a strong field with a time of 41.8 and a second place.

Charles Yoes placed second in the pole vault with a jump of 13'6." He tied with Terry Porter from Azle for first place but received second on a jump-off.

Artie Brown, the hard luck kid, finished third in the intermediate hurdles after hitting the hurdle and being disqualified for stepping out of his lane. The disqualification was nullified after the judges checked the rules.

Adams rounded out the point standing with sixth in the 440 dash.

Neal Jasper—Long Jump—1st in region.

Tennis Team's Triumphs

The tennis team got off to a wet start this year with rain ruining many practice sessions and tournaments. In West Columbia Gail Steele won consolation in the girls' singles division. At the district tourney, Artie Roesler and Joe Phillips placed in senior boys' doubles. Mike Lang and Doug Roesler won a first in their first district tournament in the junior boys' doubles. Members of this year's team were Mike Lang, Artie Roesler, Joe Phillips, Steve Blanchard, Charles Stewart, Doug Roesler, Debbie Park, Peggy Lang, Libby Munson, Dana Morisse, and Mac O'Bannon. Coach for the team was Mr. Jerry Slayton.

Cheers — Tears — Medals and a Trophy

The pride of Angleton, the Angleton girls basketball team, went to Austin and endured the rain, cold, and injuries to come out of the state tournament as the Conference AAA runner-up. While Coach Fitzgerald was confined to quarters with the flu, Coach Johnson and Mr. Muldrow kept the girls on their course to the state finals. In the first game history repeated itself as Carthage fell—and when purple met purple in the championship game, Canyon became state champs.

The Wildkittens had gone through a tough season, playing 30 hard-fought games and losing only 7. Although there were tears at the end, it was a great way to end a great season.

Great Support Helped Make a Winning Team

During the trips out of town the girls were always followed by a caravan of cars and when they played on their home court the fans packed the gym. Each game was marked with spontaneous shouts of "Wop 'em up side the head!" In the history of girl's basketball at Angleton, never has there been such a large number of loyal fans. Managers Lucy Brown, Debbie Svoboda, and Beth Malandrucolo were definitely the most ardent fans. Besides keeping the team organized and ready to play, they were experts at keeping morale high.

J.V.'s Go 5-3 for 2nd Place Tie

Angleton J.V. Kittens, led by hot-handed Sharon White, came out at the end of the cage season with an over-all record of 17-7 and a district record of 5-3. Their district record placed them in a second-place tie with Pearland.

The junior cagers snagged two second place trophies during the season. In both the Angleton tourney and the Clear Creek freshman tournament an outstanding team from Pearland came on strong to edge out Angleton's chances for first place.

Coach Carol Beseda credited starting forwards Sharon White, Debbie Crabtree, and Juanita Winn with outstanding play. Sharon had a season average of 17 points per game. Gail Purdue, Debbie Park, and Diedra Whitmire held opponents to low scores throughout the season.

All students and exes were in a victorious spirit rooting for the Wildcats. The pep rally started things off right with the varsity cheerleaders presenting cupcakes to the players and a big cake to the whole team.

That night girls all over the stadium were showing off their Homecoming mums. After the game, which Angleton won, everyone went to Southside for soulful music by the Silent Echo.

AFS Students Anna Tosi, Juan Tovar Spend Year at AHS

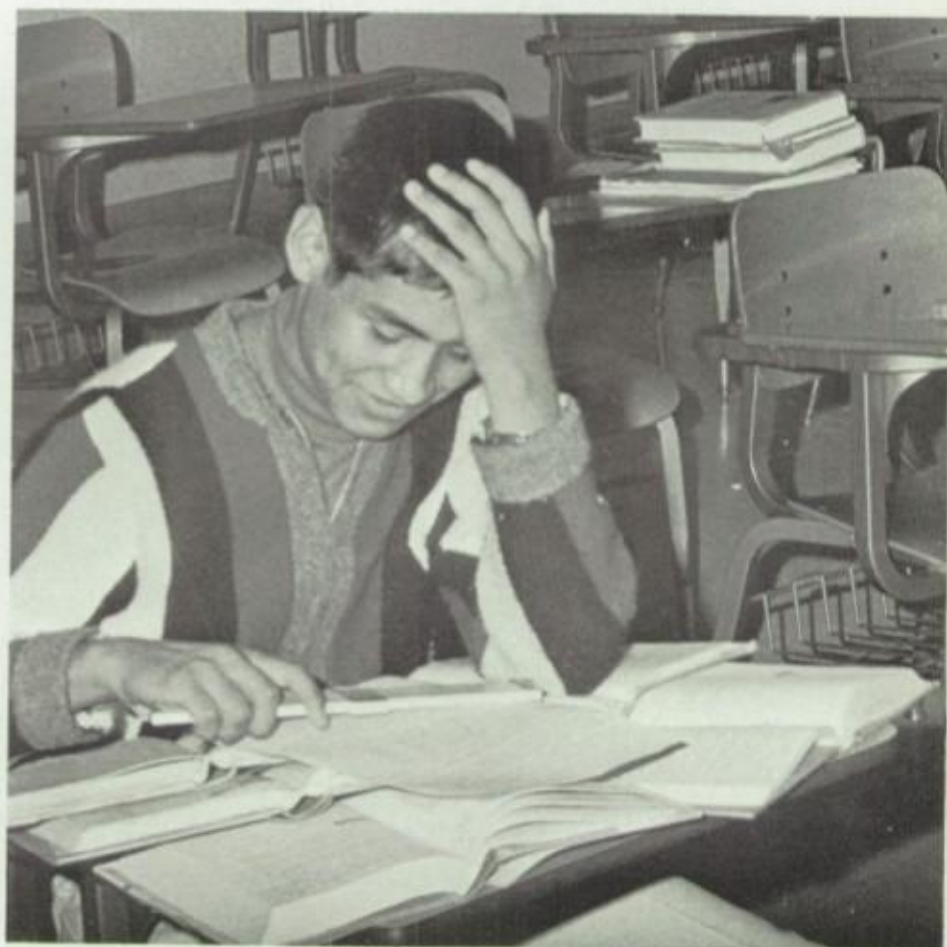

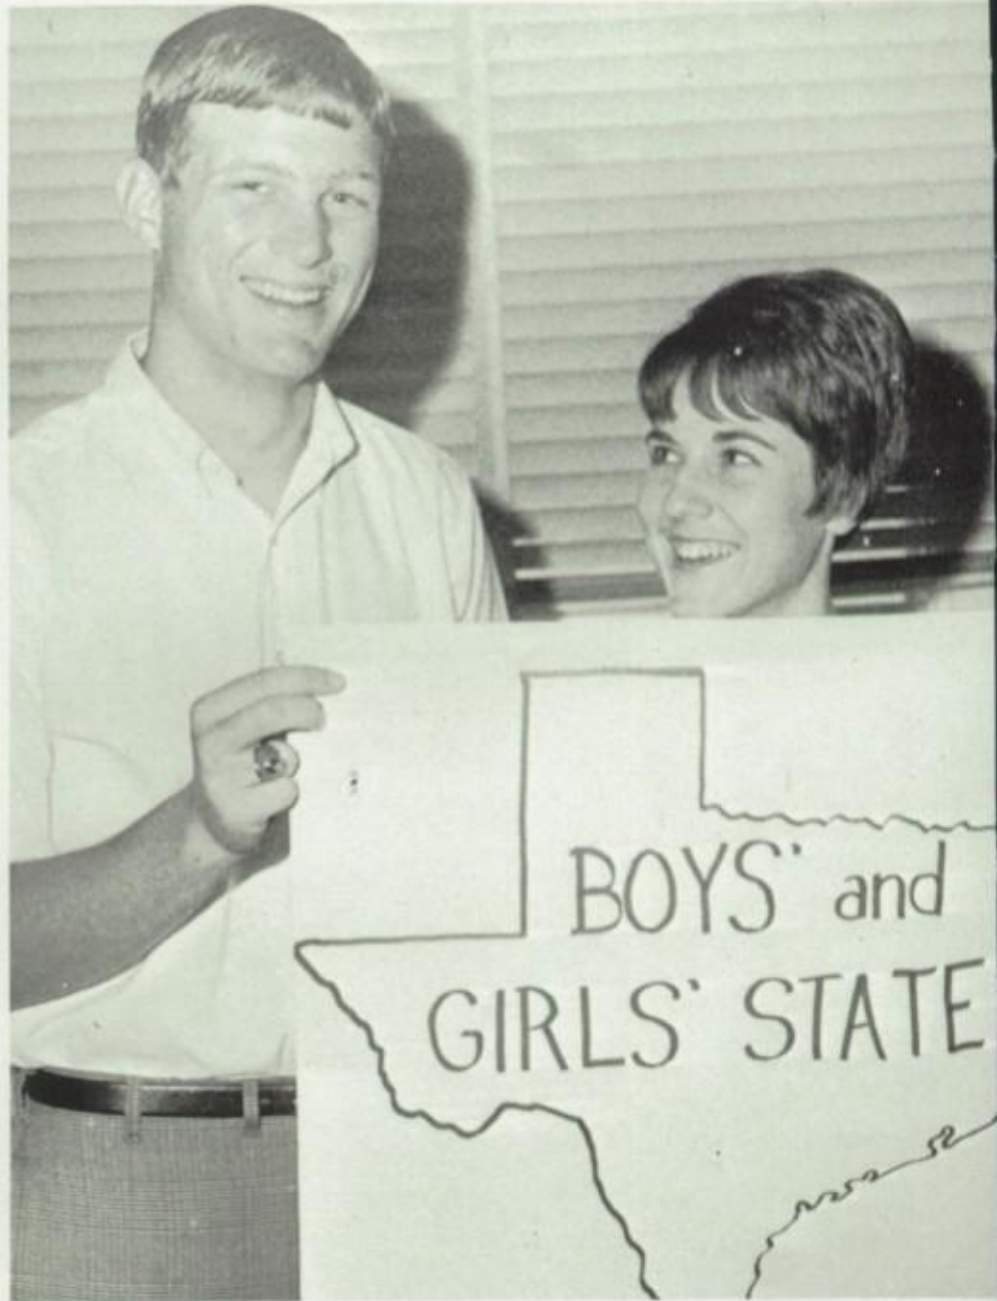

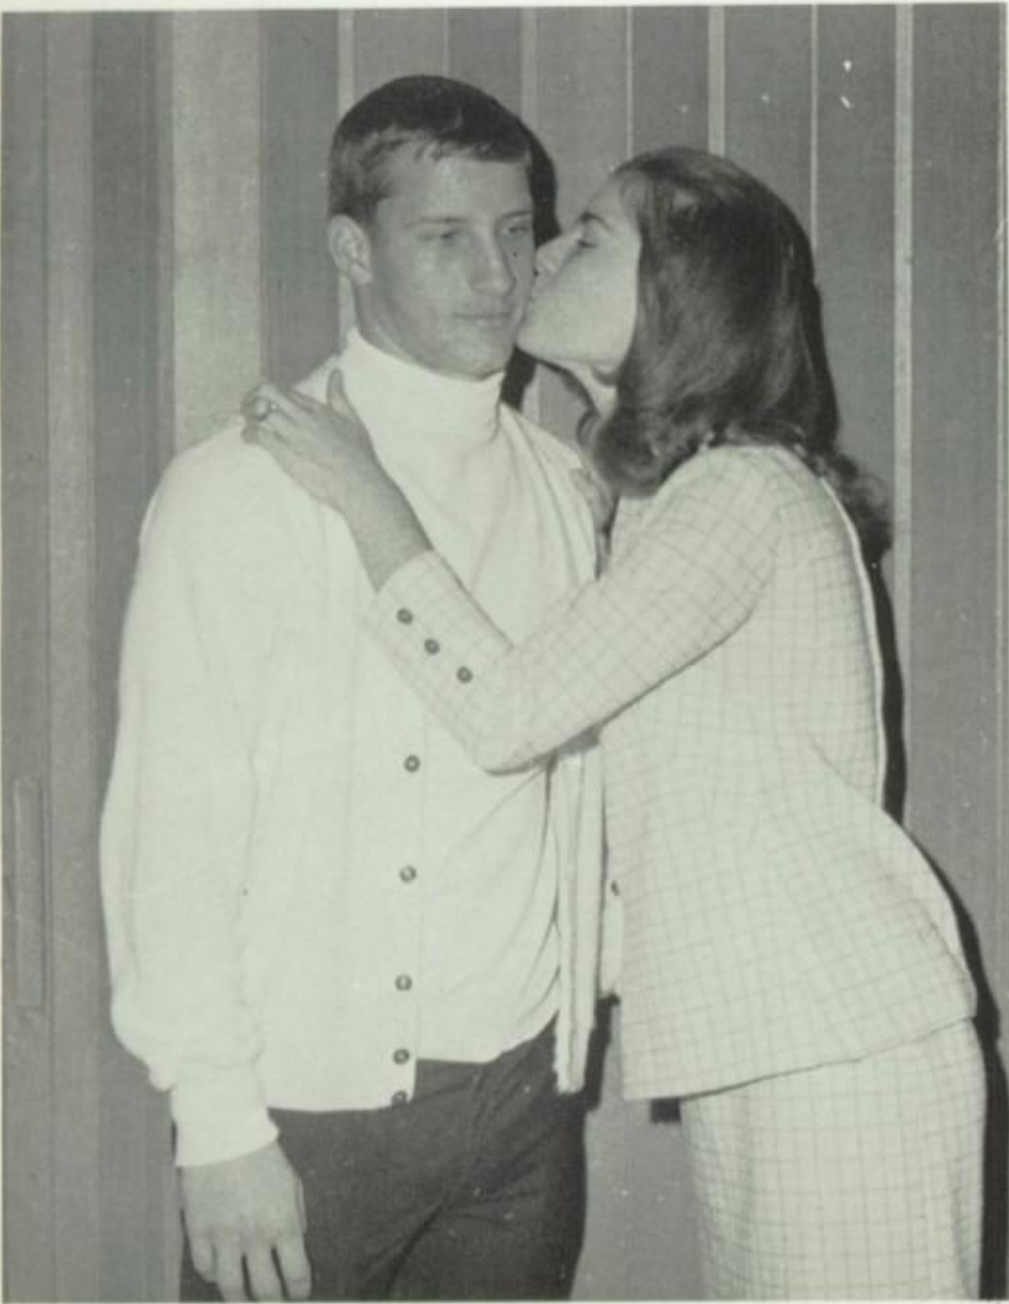

This year, for the third time, AHS had two AFS foreign exchange students—Anna Tosi from Italy and Juan Tovar from Peru.

Anna, or Nini as she was called by friends, lived in the home of Mary Lynn Lostracco. Juan stayed with Mr. and Mrs. Carl Neill.

Both spoke to many clubs about their countries and made many AFS trips. They were members of the Student Council and were made honorary members of the NHS. Nini also participated in the Pep Squad, choir, Junior Historians, and Spanish Club. Juan was a member of the Junior Historians and the Slide Rule Club.

Nini commented that she felt AHS teachers were very friendly. Juan spoke of how much he enjoyed the football games and victory dances. Both said their favorite American food was hamburgers.

AHS Forward

AHS took several giant steps forward this year with the help of administrative personnel and the Angleton School Board.

Early in the school year a large bond issue was presented and passed for a massive building program at the high school. Plans were drawn up for the remodeling of the science, homemaking, and administration wings. In addition, a new vocational building, band hall, and classroom wing were planned. Construction started in December and soon nothing looked the same around campus.

In other action, eleven new courses were approved for AHS and Angleton became a very progressive school offering such courses as oceanography, cosmetology, welding, advanced science, and German.

Kids Run Wild at AHS

On Kid Day, May 16, the seniors converged on the campus in colorful costumes and armed with water guns, shaving cream, water balloons, sling shots, and dirty old mud.

Costumes ranged from Little Lord Faunteroy to Tom Sawyer (Lee Marshall and Royce Akers). Connie and Jerry Gardner chose look-alike nightgowns. Jim Clark came as Captain Nice. Many girls chose pinafores and dolls. Jimmy Hargrove, in organdy ruffles, and Gary Donnelly, in a jumper and beanie cap, were judged Best Dressed.

One highlight of the day was the barbecue at the football stadium. Contrary to popular belief, Ken Barchack's giant bullfrogs escaped the barbecue.

Ingredients necessary for a memorable day include a dash of laughter and a pinch of learning. The final concoction is school; and AHS spells fun! It's all action! It's alive; It's jumping; It restarts the natural need for days overflowing with excitement and zest.

The days will never again be the same. They were full of fun and will never be forgotten.

Boys Is the American Girls

During the high school years relations between girls and boys take on a different light and their lives are just never the same again! While minds are growing also growing is a carefree exchange of ideas, sympathy, rings, bracelets, and jackets between mutual admirers. Somewhere between school and homework, time is found for sharing a malt at Rolands, enjoying a super movie at the Beacon with someone special, making a two hour phone call, and sharing a blanket on a hayride.

Students Learn Vocational Skills

In 1968-69 AHS had vocational classes in eight different areas. All were planned to fit students for useful employment in occupations of their choice.

Students in three classes worked half a day in downtown businesses. Those in Distributive Education worked in selling jobs. Industrial Cooperative Training students learned a job trade. Vocational Agriculture boys did the same in the agriculture field.

Vocational Office Education students spent two class hours a day learning skills for the business world.

Twenty-five boys learned the Auto Mechanics trade, studying all the mechanical parts of the automobile.

Classes in general woodworking and machine woodworking were offered under Industrial Arts. Two years of drafting (general and technical) were offered under Drafting.

Girls in Homemaking I, II, and III and Home and Family Living were not only prepared for making a home, but provided a basis for a career in such fields as health and welfare and dietetics.

In Memoriam

A tree proclaims the two great adventures of man—birth and death. Sylvester Martinez, AHS junior, was born October 29, 1950. He died by accidental drowning November 12, 1968. In January AHS students planted this oak tree on campus in memory of their classmate, friend, and team member. Trees are also memories.

Mischievous Sophomore Class officers are caught wrapping a teacher's house—a favorite year-round hobby for AHS teens. Pictured are Debbie McGowen, secretary; Robert Rice, president; Fred Ivy, vice-president; Steve Blanchard, reporter; and Dick Jones, treasurer.

The Hair Rebellion Era

The 1960's could be called the Years of the Hair Rebellion. Youth, as usual, set the pace.

For girls, loose curls became teased masses and then evolved to the straight look of Our Generation. Some wore it short and care-free, while others touted inches and inches of long ironed strands.

Boys, long the fashion laggards, suddenly became pace setters with long hair that got even longer and longer as parents and principals lost their cool. Summer meant hair down to their masculine shoulders but in September it was to the barber shop for "above the collar and eyebrows."

Still others clung to their trusty crewcuts and neat conservative looks. The Hair Rebellion was also the years of individualism.

"Watch it! Avalanche! There they go again!" This was a common AHS sound this year as everyone, tall or short, found that lockers didn't always fit the height size.

Tall boys, short boys, tall girls, short girls, top lockers, bottom lockers—boy, did that computer goof up again.

Still lockers served their purpose. As the year progressed, they were known to hold such items as Beatle albums, sweaters, letters, anonymous poems, lunches, comic books, jewelry, brushes, and, at a few times, even textbooks.

P.E. Girls Become Adept at Exercises

"I've always wanted to be a flamingo" laughs Donna Mathews.

Donna and her AHS classmates found these and other exercises quite funny in Miss Beseda's physical education classes this year.

The girls spent an hour a day striving to make the grade in physical education.

Throughout the year, students participated in volleyball, tennis, badminton, modern dances, softball, football and basketball.

Classes competed in an intramural basketball tournament to decide which was the best team—the Chi-lites, the Mod Squad, the Holy Cows, the Rock Cats, the Japs, and the Dinglebops.

Grid Stars Honored at December Banquet

AHS football boys were honored with a banquet by the Quarterback Club in December.

Halfback Neil Jasper was selected as the team's most valuable player and his name was inscribed on a plaque for the AHS trophy case. Quarterback Billy Adams and linebacker Jim Carter received certificates as Angleton's offensive and defensive players of the year.

J. T. King, head football coach at Texas Tech, was the keynote speaker at the event.

For most of our generations, school was the center of our lives. We spent 1,093 hours and 45 minutes in class alone each year. And, yes, we learned—woodworking, gymnastics, the history of the Civil War, how to dissect the fetal pig, the symbolism in *The Scarlet Letter*, how to play the trombone, how to give a sales talk, how to write a story, how to type a business letter. To some it was a challenge and to others, a bore. But one way or the other, school was our bag.

The Reading Generation

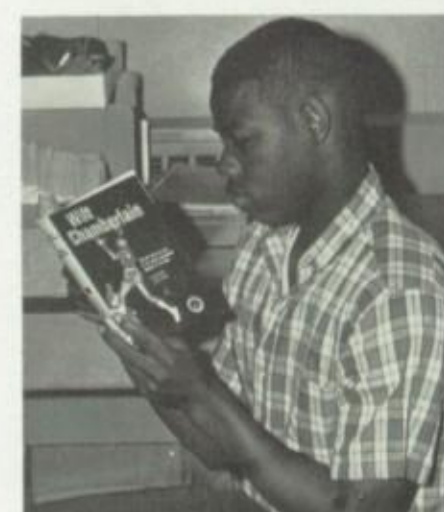

Our generation read. We read for book reports (eek!); we read for knowledge (DeSoto discovered the Mississippi); and we read for pleasure (you know you've really made it when you can eat a hamburger with raw onions and still get a goodnight kiss).

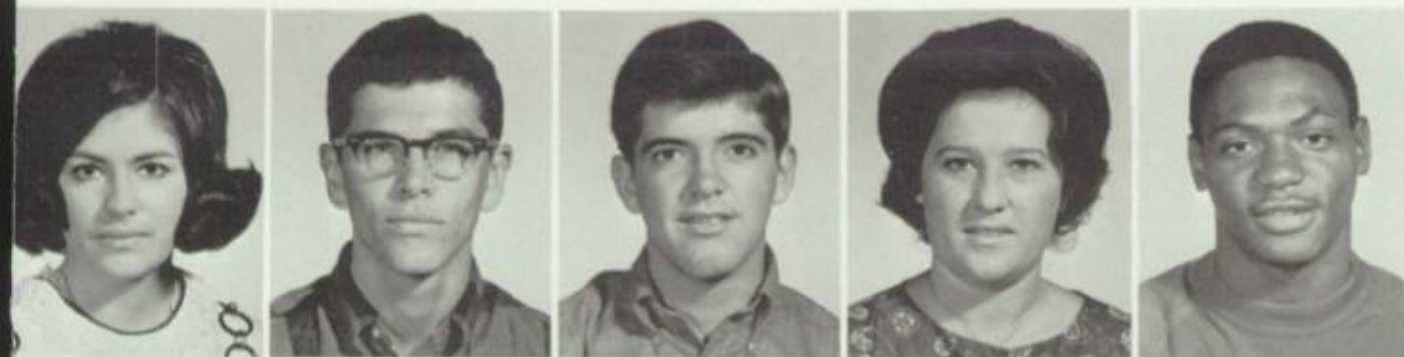

Thousands of novels circulated through the library: *Gone With The Wind*, *Hod Rod*, *Christy*, *Mr. and Mrs. Bo Jo Jones*, *In Cold Blood*, *Paper Lion*.

We read of heroes like Wilt Chamberlain, Joe Namath, Medgar Evers, Dr. Tom Dooley, Sandy Koufax, John Kennedy, Bobby Kennedy, Twiggy, the Beatles, Paul Newman, Dr. Martin Luther King, and the Apollo 8 astronauts.

For school life news, we turned to AHS Publishing Company products—the *Tattler* and the *Angle*.

We devoured magazines—*Mad*, *Life*, *Scope*, *Seventeen*, *Ingenue*, *Sports Illustrated*, *Guns & Ammo*, *Surfing*, and even (sssh) *Playboy*.

What our generation did not have was a "failure to communicate"—as did Cool Hand Luke. The art of gossiping was developed to the nth degree as we talked of Dennis Thacker shooting his hand in a hunting accident ... Alice Woodside wearing Alfred Boyce's ring ... everyone failing Algebra II ... can't wait till Easter vacation ... David Smith's new Mustang ... Jimmy Hueghy going to Texas ... griping about having to come back two days early at Christmas vacation ... Elvis Presley having a special on television ... the outdoor assembly in freezing weather ... the Freshmen having their own band ... and constantly discussing dear teachers.

AHS experienced growing pains in 1968. When school opened, every classroom was overflowing during every class period. Teachers and students alike shoved their way down crowded halls. Relief was just around the corner.

In December the demolishers moved in and within days walls had been knocked down, sidewalks had been removed, and the tennis courts had vanished. The roaring of trucks and the blasting of air hammers shook the buildings. Progress, in the form of new school additions, was being made.

New classrooms were constructed behind I Building. The wall next to the counselor's office was blasted away for the building of a new teacher's lounge and new office space. New band and choir facilities were drawn up next to the cafeteria. And—the greatest thing for the generations to come—everything was air conditioned.

Miniskirts and Turtlenecks

Every generation is characterized by its style of dress. Ours was an era of dress fads—the more outlandish, the better.

Boys had the greatest opportunity for change but the change was gradual and not too pronounced, and conservatism kept its foothold during school hours. Still, jeans and plain buttoned shirts were often swept into the background by wild, bright colors, turtlenecks and medallions, and plaid slacks. And after school found Nehru suits, sandals, surfer wear, and even long beards matching longer hair.

Girls have never known conservatism and so the girls of our generation dazzled the world with their mini skirts, knee boots, colored hose, leather skirts, chunky shoes, false eyelashes, hair falls, brighter-than-ever colors, bell bottom pants, large fake rings, and mod patterns.

It made the world notice the appeal of youth and generations ahead and generations behind were caught up in a mad race to copy it all.

1968 was a year of elections and AHS Students participated by supporting their favorite candidates. The presidential election sparked new enthusiasm with participation of third party candidate George Wallace. Student polls were taken in history classes and the results showed that 36% of the students polled favored George Wallace over Republican Richard Nixon, who got 26% of the votes, and Hubert Humphrey with 24% of the votes. 16% of the voters were undecided or voted for write-in candidates. It was not unusual to see political stickers or banners on students' notebooks or car. With the arrival of November came the moment of truth and Richard M. Nixon became America's 37th president, defeating Hubert Humphrey in one of the closest elections in United States history.

Our generation was creative in making things for themselves. They made everything from Nehru shirts to decorated surfer vans.

The van was a 1952 Chevy panel truck which junior Russell Rau changed into a mod hippie-like pad. It is equipped with everything from curtains, and carpeting to sock-it-to me signs and has stereo tapes, cushions and incense.

Linda Carroll, along with many AHS girls, were caught up in the Mod-Podge Craze. Their busy scissors cut pictures and zany slogans to decorate notebooks, wastebaskets, purses, and plaques.

Alice Prilop was part of the fashion-conscious sewing generation. She designed and made the dress she is wearing above, plus the Nehru shirt modeled by Gary Jones.

And the beat goes on—and on—and on. It did, too, in the world of teenage music, vintage 1969.

Marvin Gaye's "I Heard It Through the Grapevine" was a smash hit. John Lennon took off his clothes on an album cover. Paul Mariat proved that an instrumental group could do it when he cut "Love Is Blue." Archie Bell and the Drells, a Houston group, hit number one with "Lighten Up." Glen Campbell got his own television show as a result of "Wichita Line-man." The Buffalo Springfield faded. The Byrds went country and western. And Hugo Montengro had a sound all his own on "For A Few Dollars More" and "The Good, the Bad, and the Ugly."

Heavy was the word for everything. Iron Butterfly was heavy. Steppenwolf was heavy. Bubble Puppy was heavy. Spirit was heavy.

Cream retired and the Beach Boys staged a comeback with "Do It Again."

Soul music came into its own with singers like James Brown, Aretha Franklin, the Supremes, Lou Rawls, Wilson Pickett, and the Temptations.

Otis Reddings' tragic death made everybody sad, especially after hearing his "Sittin' On the Dock of the Bay."

In a 1968 year filled with sorrow, Dion recorded a song that could be a chronicle of our times—"Abraham, Martin, and John."

And the beat goes on—.

THE WORLD WAITS FOR AN IDEA

Today, as in all the days of all the ages, the future of mankind rests on an idea—a creative spark to light an exciting and productive tomorrow.

Through such ideas, free men find new truths beyond unknown horizons. These are the kinds of men who have built the chemical industry into the dynamic and vital industrial force it is today, and who will lead it into—and past—the frontiers of tomorrow.

There is nothing new about chemistry. Only our knowledge of it is new. And this knowledge bursts from ideas of young men and women willing to learn, to explore, and to build.

The prime fountains for such young people are high schools and colleges. It is at these seats of learning that wisdom ignites and is propelled into a tomorrow filled with intellectual adventure and discovery.

“THE SOUNDS OF SILENCE”

Hello, Darkness, my old friend.
I've come to talk to you again.
Because the vision softly creeping
left its seeds while I was sleeping.
And the vision that was planted in my brain
still remains within the sound of silence.

In restless dreams I walked alone
narrow streets of cobblestone.
'Neath the halo of a street lamp
I turned my collar to the cold and damp.
When my eyes were spared by the flash
of a neon light that split the night
and touched the sounds of silence.

And in the naked light I saw
ten thousand people, maybe more.
People talking without speaking—
People hearing without listening—
People writing songs that voices never share.
No one dares disturb the sounds of silence.

Fool, said I, you do not know
silence like a cancer grows.
Hear my words that I might teach you.
Take my arms that I might reach you.
But my words like silent raindrops fell—
and echo the wails of silence.

And the people bowed and prayed
to the neon god they made.
And the sign flashed out its warning
in the words that it was forming.
And the sign said the words of the prophets
are written on the subway walls
and in tenement halls
—whisper the sounds of silence.

Autographs

To a very nice
choir teacher. I
enjoyed being in
the advanced choir
this year and I am
looking forward to be
in it next year.
